## SUGGESTED WEDDING MENU OPTIONS

Here is a selection of suggestions for a sit down wedding reception.

We will be equally delighted to set up a buffet or carvery for your guests, or, for a more relaxed reception we can provide a BBQ on the patio, (which can be enjoyed in the ballroom if the weather isn't so kind), with a selection of meats, fish and salads.

We would suggest offering your guests the choice of two starters, two main courses plus one vegetarian option, and a dessert.

If you have a favourite dish that is not on this list please just ask us - it's your wedding so you choose!

### DESSERT OPTIONS

We find that for dessert guests enjoy our HAVEN DESSERT PLATTER - a trio of desserts such as Irish Liqueur Cheesecake; Banoffi Pie; Chocolate Fudge Gateau; Fresh Berries and Meringue; Choux Buns or a cheese selection.

Or, to encourage your guests to mingle, why not offer a Dessert Table for them to choose themselves.
